Dear Sir or Madam:

We have received and reviewed the report of the September 30, 2013 veterinary sanitation audit of your facility. As a result, we approve your establishment (at the above address) as a source of seafood (crab and fish) for U.S. Armed Forces procurement. This approval is limited to products produced on or after the audit date.

We have listed your establishment in the *Worldwide Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement*.

Continued approval and listing in the Worldwide Directory depends upon your maintaining an acceptable sanitation audit rating during routine sanitation audits.

Should you relocate your establishment, remodel extensively, or furnish new products, please advise the inspection activity responsible for your plant.

We are forwarding copies of this letter to the Commander, Public Health Command District-Joint Base Lewis-McChord, ATTN: MCHB-RW-J, Madigan Army Medical Center, Building 9783 McKinley Avenue, Joint Base Lewis-McChord, Washington 98431-1110; and the Contracting Officer (Tim Dlugokecki), Defense Logistics Agency Troop Support, 700 Robbins Avenue, Philadelphia, Pennsylvania 19111-5092.

If you have any questions, please contact Mrs. Barbara Lacey, commercial 410-417-3725, e-mail barbara.e.lacey.civ@mail.mil or Ms. Tracy Hanna, commercial 410-436-7268, e-mail tracy.m.hanna.civ@mail.mil.

Sincerely,

Thomas E. Honadel
Colonel, Veterinary Corps
Program Manager, Food Protection
